The technical drawing shows a rectangular component with a total width of 111.21 mm and a total height of 70.75 mm. The component features four U-shaped cutouts arranged in a cross pattern. It has a total of 12 circular mounting holes: 8 on the outer perimeter and 4 at the intersections of the U-cutouts. The distance between the two inner vertical lines is 21.99 mm. The top horizontal line is labeled with the text "4 x M3 10".
